**MAiChair** executive seating features air cushion technology to reduce fatigue and improve user comfort.

### ***Air Cushion Support System***

Proprietary air pockets embedded in the seat and back cushions react to the user to provide exceptional support and comfort through a full range of motion.

### ***Synchro-Tilt***

State of the art synchro-tilt provides adjustable tension resistance, pneumatic seat height adjustment and multi-position tilt-lock control in one easy to adjust mechanism.

### ***Headrest***

6 position headrest also adjusts 120 degrees to accommodate even the tallest user.

### ***Base***

5 star base is available in lightweight reinforced plastic or elegant polished aluminum and comes with urethane casters for effortless operation.
